FROM 24 TO 26 SEPTEMBER DUBAI - MASTER ITALY AT WINDOWS, DOORS & FACADES.

Dubai Expo 2020 is the goal technical fairs such as the **Windows, Doors and Facades 2019** aim to achieve for the entire sector of aluminium doors and windows.

During the three days of the **Dubai World Trade Centre** over 300 manufacturers of solutions and accessories for doors, windows and facades from all over the world will be attending in order to meet over **8000 professional operators** who have already registered for the event. Among these features **Master Italy**, which in Dubai will be assisted by the local technical-commercial team to meet in one-to-one meetings the top commercial partners of the entire Middle East.
